## WELCOME TO CISS VANCOUVER

Get future-ready this summer! CISS Vancouver operates on the beautiful campus of Capilano University in North Vancouver; an urban location with modern facilities in harmony with its breathtaking natural environment. Inspired by Vancouver's reputation as a global city of the future, this programme offers students an innovative combination of Global English lessons and Future-Ready Skills workshops, designed to provide young learners with a strong foundation for future success. Excursions and activities showcase the beauty and history of the land, while programme design remains focused on respecting local cultural heritage.

## PROGRAMME INFO

### LANGUAGE PROGRAMME

Language lessons are designed to improve students' English communication skills while simultaneously raising their overall level of global awareness. Traditional and modern teaching techniques are blended to help students build their self-confidence and authenticity in English. Students are challenged to embrace an inclusive form of English to improve their interactions with people world-wide.

Our teachers incorporate a variety of examples from diverse international sources to expose students to different perspectives and help them to better understand the role of English as the world's language and their relationship to it.

- ESL classes = 15 hours per week
- Workshops = 5 hours per week
- 1 hour = 60 minutes
- Max. of 15 students per class
- Qualified and Experienced Teachers
- 3 Levels: Beginner, Intermediate, Advanced
- Level Assessment Upon Arrival

### FUTURE-READY SKILLS \*\* NEW \*\* WORKSHOPS

Student-centred workshops enhance the English learning experience, while focusing on developing "Future-Ready" skills that are considered essential for success in today's ever-changing workplace.

Skill workshops offer interactive and engaging activity-based challenges designed to push students to think in new ways, learn new approaches to problem-solving, and work together in order to achieve their goals.

### SKILLS FOCUS

- Critical Thinking
- Creativity
- Collaboration
- Decision Making
- Empathy
- Negotiation
- Problem-Solving
- Self-Awareness
