GLOBAL LEADERSHIP

This programme was created to provide youth aged 13-17 with the essential foundations to become better leaders in an ever-changing world. In-class lessons are taught by expert staff with a focus on providing students with essential communication, leadership, and decision-making skills. These competencies are further enhanced by specialized workshops - each with a different subject focus. Leadership skills come to life when students discuss their ability to take positive action not only at local and global community levels, but within their immediate community at St. Michael's campus as well. The course concludes with students making public presentations on action plans for projects they will pursue when they return home.

COURSE OUTCOMES

- Improved self-awareness
- Better critical thinking skills
- Global awareness

MODULES AND THEMES

Leadership Skills	Focuses on a variety of theories and meanings of leadership. Participants will examine the evolution of different leadership styles, including an exploration of the concept from an online perspective.
Communication Skills	Students learn how to make an impact through effective expression. Concepts include conflict resolution, cross-cultural sensitivity, empathy, and the impact of media.
Problem Solving Skills	A key component to becoming an effective leader is the ability to make positive and impactful decisions. The problem solving course teaches critical thinking skills needed to design and implement innovative solutions.
Specialty Workshops	Students build on their knowledge through interactive workshops. Topics may include personal development, and values exploration.

Community Blocks	<p>An opportunity for students to explore the concept of “community” from local and global perspectives. Students discuss some of the key issues and their ability to address these issues within the communities where they live, the global community, and in their immediate location at camp.</p> <p>Week 1: You AT HOME Week 2: You IN THE WORLD Week 3: You AT ST. MICHAEL'S</p>
Project Planning	<p>Our ultimate goal is for each participant to extend their passion beyond the classroom and to demonstrate real evidence of their leadership potential. Students apply their new skills to create a project which can then be implemented in their own community. Projects are presented in the final week of the course.</p> <p>Project Planning takes place one evening per week.</p>
