Mission Statement:

At North we are committed to reaching every student to help them achieve a successful outcome from their secondary school experience. To ensure high quality learning and a program customized to their skills and interests, students have access to many caring and supportive supports within Barrie North's environment. The school, through its various activities and policies, will help the emotional, cultural and moral development of the students in our care. It is our intention that the learning environment and curriculum of the school will foster a positive self-image in our students and will help them become productive, responsible and caring citizens.

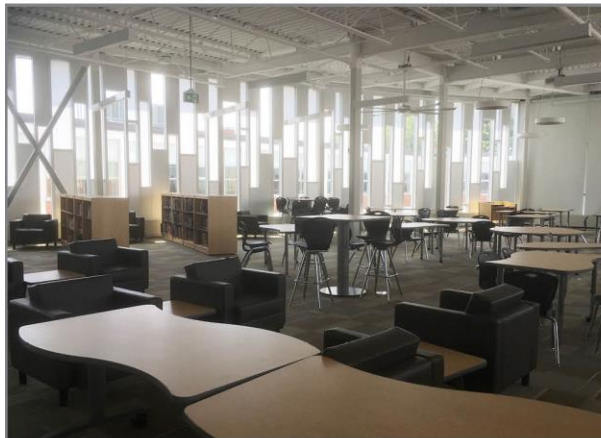

Special Features:

- High academic reputation
- University Preparation program in certain grade 12 courses
- Home to Barrie's top Communications Technologies program, and offers a Specialist High Skills Major in Broadcasting: TV, Film, Movie and Journalism
- Strong music and arts programming
- Latin studies
