ESL/ELL Support (English as Second Language/English Language Learning):

Many schools (both public and private) require students to take an online PRE-ARRIVAL English assessment, as well as a second assessment upon arrival. *These tests will take precedence over any tests taken by the student in their home country.*

- **For public schools**, the first assessment is usually requested after the student is generally accepted into the school district, but prior to confirmation of placement in a school. Test results may not impact acceptance, but will be used to determine selection of school, course options and level of ESL/ELL support required. *Many Canadian public schools offer ESL/ELL support as part of the curriculum, with little or no additional costs. CISS MLI will endeavour to achieve placement in these schools first. However, some ESL/ELL fees may be required if school cannot provide the full level of support required.*
- **For private schools**, the first assessment is usually requested prior to a formal acceptance. Results may affect acceptance decision, or the decision for the student to be placed in ESL/ELL support classes. Additional fees typically apply. *Not all private residential schools offer ESL/ELL support. In those that do no, a high English proficiency is required.*

FAMILY & LIFESTYLE: Home away from home

NOTICE for students who will reside with a host family

Canada is a multicultural society, where - in accordance with the Canadian Charter of Rights and Freedoms - people of all cultures and ethnicity are welcomed and form an integral part of the culture of each community. Homestay families represent the standard "middle class" of Canada. Families are selected based on their willingness to welcome a student into their home as a member of their family, offering shelter, meals, security, comfort...essentially everything equal to a "home away from home". Our families come from a variety of ethnic backgrounds and domestic configurations - from couples with children, to single parents or even childless couples or single adults. Regardless of how a family appears on paper or the size of home, you can be assured that your child will be well cared for in a comfortable and safe home, where English is the main language spoken among the family members.

I/we understand this is the outline of the homestay programme, and that we cannot request a host family, or a change of host family, based on racial or cultural background.

Please initial in box. Initials represent understanding and acceptance of this policy.
