### Payment Process

Once a student is accepted into the International Education Program, an invoice will be generated outlining tuition and associated fees to be paid. **Payment must be made in full to WECDSB before a Letter of Acceptance (LOA) is issued.**

Once payment is received, a Letter of Acceptance will be provided. It is the responsibility of the student and their agent representative to apply for a study permit through Citizenship and Immigration Canada. The application processes varies from country to country; therefore, it is important to apply as soon as the Letter of Acceptance has been received.

### Refund Policy

In the event that an application for a study permit is rejected by Citizenship and Immigration Canada, WECDSB will issue the student a full refund of tuition, **not including the application fee**. Students must provide WECDSB with a Letter of Rejection from Citizenship and Immigration Canada authorities as proof.

If a student decides to withdraw from the program for any reason, **within the first 30 days** of commencement of their program, then WECDSB will provide a refund equivalent to 2/3's of tuition paid and associated fees (Medical fees will be prorated), **not including application fee**. WECDSB must receive notification of withdrawal from the program **in writing**.

If a student decides to withdraw from the program for any reason, **after the first 30 days** of commencement, then **WECDSB will not issue a refund of tuition and associated fees**. Extenuating circumstances will be considered by WECDSB Administration.

If the student is removed from the program and sent home in violation of Canadian/WECDSB regulations, WECDSB will not issue a refund of tuition and associated fees.

### **Canadian Regulations**

Students will abide by all the laws of Canada, the Province of Ontario, and the municipal by-laws of our region, as well as the terms and conditions of my study permit issued to me by Citizenship and Immigration Canada. If a student is in violation of any law, the Windsor-Essex Catholic District School Board (WECDSB) reserves the right to remove the student from the program and send the student back to their home country. Please note, that depending upon the nature of the offence, the student may face additional consequences within the Canadian Legal System. Examples of offences that will lead to the removal of a student from the program include, but are not limited to the following:

### **School Regulations**

Students will adhere to all rules established by the school. Students who are in violation of any school rules and regulations will be disciplined by the school. Repeated violation of school rules may result in the student being removed from the program and sent home.

Students are expected to respect cultural differences. Canada is a multicultural country where customs and traditions of others may be different from your own. Student should understand that discrimination based on nationality, gender, political, or religious affiliation is illegal in Canada.

**School Attendance**

Students are expected to attend all classes and educational programs provided. **All absences must be reported to school attendance on that day by the legal custodian or Homestay adult.** If multiple days are missed due to illness, a doctor note must be provided. More than two unexplained absences per month will result in a warning and may lead to dismissal from the program.
