ESL/ELL Support (English as Second Language/English Language Learning):

Many schools (both public and private) require students to take an online PRE-ARRIVAL English assessment, as well as a second assessment upon arrival. *These tests will take precedence over any tests taken by the student in their home country.*

- **For public schools**, the first assessment is usually requested after the student is generally accepted into the school district, but prior to confirmation of placement in a school. Test results may not impact acceptance, but will be used to determine selection of school, course options and level of ESL/ELL support required. *Many Canadian public schools offer ESL/ELL support as part of the curriculum, with little or no additional costs. CISS MLI will endeavour to achieve placement in these schools first. However, some ESL/ELL fees may be required if school cannot provide the full level of support required.*
- **For private schools**, the first assessment is usually requested prior to a formal acceptance. Results may affect acceptance decision, or the decision for the student to be placed in ESL/ELL support classes. Additional fees typically apply. *Not all private residential schools offer ESL/ELL support. In those that do no, a high English proficiency is required.*
